WARRANTY INFORMATION

Your purchase includes a full 1 year warranty on parts and labor.

An **additional** 2 year part-only warranty applies to the compressor.

- Warranties are not supported outside the continental United States
- Warranties are not transferable to other parties.
- Warranties do not cover the loss of product or income due to equipment malfunction.
- Placing the equipment outdoors, using it to store hazardous materials or modifying the equipment in any way voids all warranties.
