

PEAKCOLD

— P L U S + —

SINGLE DOOR DISPLAY FREEZER

P-IM24MF

Highly efficient, spacious and durable freezer providing perfect temperature and performance.

KEY FEATURES

- **Eco-Friendly Refrigerant**
Environmentally friendly hydrocarbon refrigerant has low Global Warming Potential (GWP). Meets all USA & California refrigerant & energy standards.
- **Digital Temperature Display**
electronic controller assures optimal refrigeration performance through precision temperature control.
- **Electronic Fan Motors**
Enhances performance and efficiency. Uses only a fraction of the energy and offers longer life expectancy.
- **Spark-Free Refrigeration Components**
All models have spark free refrigeration components for optimal safety, per UL requirements.
- **LED Efficiency + 220 LUX**
New 5th generation constant power ultrahigh efficiency LED uses lowest energy possible, with highest output.
